

Naturally protecting deodorant

PRO SCENT

CAVALOR PROSCENT

DESCRIPTION
White liquid

DIRECTIONS FOR USE
Spray Cavalor ProScent on the horse's coat to neutralise its odour and that of its sweat.

Warning: may cause an allergic skin reaction. Avoid contact with eyes. **IN CASE OF CONTACT WITH EYES:** rinse carefully with water for several minutes, remove contact lenses if possible and continue rinsing. If eye irritation persists, seek medical attention.

STORAGE
Keep out of reach of children.

Spring and its gorgeous weather; so blissful! It's the perfect time to go out and explore nature with the horses. Cavalor ProScent gives off a lovely scent that neutralises the horse's odour and that of its sweat. This makes it a natural and effective coat spray. Ideal for those springtime rides!

NATURALLY EFFECTIVE

Our love for the power of nature is no secret. What's more, plants have been in use since ancient times in skincare products and perfumes. Cavalor ProScent is a brand-new blend of essential oils that acts to neutralise your horse's natural body odour. It has a lovely fresh botanical scent, or in any case that's how it smells to us humans.

In addition to its fresh scent, the essential oils in Cavalor ProScent (Lemon Eucalyptus, Tea tree and Lavender) keeps the horse's coat also shiny and healthy.

HAPPY, HEALTHY HORSES

We like to put your and your horse's well-being first. A survey of Cavalor ProScent users led us to conclude that they consider the product to have a very pleasant smell and to be effective in use while riding, out at pasture or in the barn. Respondents gave Cavalor ProScent an average score of 86% and would certainly recommend it to friends or acquaintances.
